Commissioner for Patents

In response to the communication filed on July 13, 2005, applicant is informed that all the crossed-out publications cited in the IDS have not been considered by the Examiner, because CFR 1.98 requirement is not met (See the attached copies of the IDS). It is noted that only the IDS submitted in the continuation application and/or continuation-in-part application complies with 37 CFR 1.98(a) to (c), copies of the patents, publications, pending U.S. application, or other information submitted in the parent application need not be resubmitted in the continuing application (see MPEP 609(I)(B)(3)). Specifically, those crossed-out publications have not been previously submitted in the parent applications. It has been placed in the application file, but the information referred to therein has not been considered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joe H. Cheng whose telephone number is (571)272-4433. The examiner can normally be reached on Mon. - Thur.. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Xuan Thai can be reached on (571)272-7147. The fax phone number for the organization where this application or proceeding is assigned is (571)273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
